Emily Carter is a curvy girl with a big heart and a love of all things fashion. But when she meets Jax Blackwood, a hardened biker from the Savage Saints MC, her world is turned upside down.

Jax is everything Emily has ever wanted in a man: handsome, charming, and dangerous. But he's also a member of the most notorious motorcycle club in town, and their relationship is forbidden.

Despite the risks, Emily and Jax can't resist their attraction to each other. They begin a secret affair, but their love is threatened by Jax's dangerous past and the prejudices of the MC world.

Can Emily and Jax's love survive the challenges that come their way? Or will their forbidden romance be doomed from the start?

Chapter 1

Emily Carter stood in front of her mirror, trying to decide what to wear. She was going on a date with Jax Blackwood, a hardened biker from the Savage Saints MC, and she wanted to look her best.

Emily was a curvy girl, but she didn't let that stop her from wearing what she wanted. She loved her body, and she was proud to show it off.

After trying on several different outfits, Emily finally settled on a pair of black jeans, a tight black top, and a pair of high heels. She added a touch of makeup, and she was ready to go.

Emily arrived at the bar where she was meeting Jax, and she took a deep breath before walking inside. She was nervous, but she was also excited.

Jax was sitting at the bar, talking to another man. He looked up when Emily walked in, and his eyes widened.

"Emily," he said, his voice husky. "You look beautiful."

Emily smiled. "Thank you, Jax."

Jax stood up and came over to Emily. He took her hand and led her to a table in the corner.

"I'm glad you came," Jax said. "I've been looking forward to this all day."

Emily smiled. "Me too."

Jax and Emily talked for hours. They talked about their lives, their dreams, and their fears. Emily felt like she could tell Jax anything, and he felt the same way about her.

By the end of the night, Emily and Jax were both drunk and in love. They left the bar and went back to Jax's place, where they made love for the first time.

Emily and Jax's love was intense and passionate. But it was also forbidden. Jax was a member of the Savage Saints MC, and their relationship was against the club's rules.

Emily knew that their love was dangerous, but she didn't care. She loved Jax, and she was willing to do anything to be with him.

Chapter 2

Emily and Jax's relationship was a secret, but it wasn't long before the other members of the Savage Saints MC found out about it.

The other members of the club were not happy about Jax's relationship with Emily. They saw her as an outsider, and they didn't want her around the club.

Jax stood up for Emily, but it wasn't enough. The other members of the club voted to kick Jax out of the club.

Jax was devastated, but he knew that he had to leave. He didn't want to put Emily in danger, and he knew that the club would never accept her.

Jax and Emily said goodbye, and Jax left town.

Emily was heartbroken, but she knew that she had to move on. She continued to blog about fashion, and she eventually started her own clothing line.

Emily never forgot about Jax, but she knew that their love was over. She had to move on, and she had to find a way to be happy without him.

Epilogue

Years later, Emily was a successful fashion designer. She had her own clothing line, and she was one of the most popular plus-size bloggers in the world.

One day, Emily was walking down the street when she saw a familiar face. It was Jax.

Jax had changed a lot over the years. He was still handsome, but he was also older and wiser.

Jax smiled when he saw Emily, and he came over to her.

"Emily," he said. "It's good to see you."

Emily smiled back. "It's good to see you too, Jax."

Jax and Emily talked for a long time. They caught up on each other's lives, and they talked about the love they had lost.

By the end of the conversation, Jax and Emily knew that their love was still there. They had both moved on, but they had never forgotten each other.

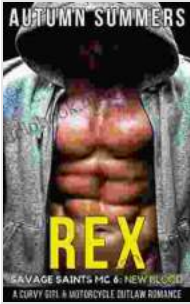

Jax asked Emily if she wanted to have dinner with him, and she said yes.

Jax and Emily started dating again, and they quickly fell back in love.

This time, their love was even stronger than before. They had both grown and changed over the years, and they were now ready to be together.

Jax and Emily got married, and they lived happily ever after.
