X-Ray for textbooks : Enabled

ICDL 2024 will feature a wide range of sessions, including keynote speeches, paper presentations, panel discussions, workshops, and tutorials. The conference will cover the latest trends and developments in digital libraries, including:

- Digital preservation
- Data management
- Information retrieval
- Digital humanities
- Digital libraries in education
- Social and ethical issues in digital libraries

ICDL 2024 will also provide a unique opportunity for attendees to network with leading experts in the field of digital libraries. The conference will feature a variety of social events, including a welcome reception, a conference banquet, and a closing reception.

If you are involved in the field of digital libraries, or if you are interested in learning more about the latest trends and developments in this field, then ICDL 2024 is the conference for you. The conference will provide a unique opportunity to learn from leading experts, share your own work, and network with colleagues from around the world.

Call for Papers

ICDL 2024 invites submissions of research papers, practice reports, and workshop proposals. All submissions will be peer-reviewed by a panel of experts in the field of digital libraries.

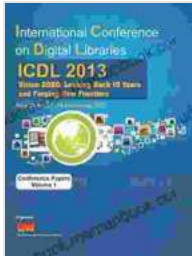

Submissions should be no more than 8 pages in length, and should be formatted according to the ICDL 2024 style guidelines. Submissions should be made through the ICDL 2024 online submission system by March 15, 2024.

Important Dates

- March 15, 2024: Abstract submission deadline
- April 15, 2024: Full paper submission deadline
- May 15, 2024: Notification of acceptance
- June 15, 2024: Camera-ready paper submission deadline
- July 8-12, 2024: ICDL 2024 conference
